

Ivan Vargas, Ph.D.

Department of Psychology
University of Notre Dame
338 Corbett Family Hall
Notre Dame, IN 46556

Phone: (479) 575-7610
Email: ivargas@nd.edu
Website: <https://sleeplab.nd.edu>

ACADEMIC POSITIONS

University of Notre Dame, Notre Dame, IN

Assistant Professor, Department of Psychology, August 2024 – Current

University of Arkansas, Fayetteville, AR

Assistant Professor, Department of Psychological Science, August 2019 – June 2024

Indiana University Northwest, Gary, IN

Adjunct Faculty, Department of Psychology, Jan. 2016 – May 2016

LICENSURE

Indiana State Psychology Board

License Psychologist, #20043877A, October 2024 – Current

Arkansas Psychology Board

Licensed Psychologist, # 202215, November 2021 – June 2024.

EDUCATION AND TRAINING

University of Pennsylvania, Philadelphia, PA

Postdoctoral Researcher, Behavioral Sleep Medicine Program, July 2016 – July 2019

Postdoctoral Researcher, Center for Sleep and Circadian Neurobiology, July 2016 – July 2019

Mentor: Michael Perlis, Ph.D.

University of Michigan, Ann Arbor, MI

Ph.D. Clinical Science, Department of Psychology, September 2010 – April 2016

APA Accredited Internship, Univ. of Michigan Internship Consortium, September 2014 – August 2015

M.S. Clinical Science, Department of Psychology, September 2010 – December 2012

Mentor: Nestor Lopez-Duran, Ph.D.

University of Notre Dame, Notre Dame, IN

B.A. Psychology, Department of Psychology, August 2006 – May 2010

B.A. Sociology, Department of Sociology, August 2006 – May 2010

Mentor: Gerald Haefel, Ph.D.

HONORS AND AWARDS

- 2025 Elected to Board of Directors for the Society of Behavioral Sleep Medicine
- 2023 Robert C. and Sandra Connor Endowed Faculty Fellowship
- 2021 Arthur Spielman Early Career Distinguished Scientific Achievement Award (SBSM)
- 2021 National Institute of Aging – NIH Loan Repayment Programs (Clinical Research- Renewal)
- 2020 Programs to Increase Diversity Among Individuals Engaged in Health-Related Research (PRIDE)
- 2019 Sleep Research Society – TEAC Leadership Workshop Award
- 2018 National Institute of Aging – NIH Loan Repayment Programs (Clinical Research)
- 2018 Sleep Research Society – TEAC Grant Writing Workshop Award
- 2017 CSCN/Penn Chronobiology Collaborative Research Retreat – Best Clinical Featured Talk
- 2017 Sleep Research Society - Trainee Merit Based Award
- 2015 University of Michigan - Rackham-CRLT Graduate Teacher Certificate
- 2015 Pat Gurin Distinguished Lecture Series Presenter
- 2014 Blue Cross Blue Shield of Michigan (BCBSM) Foundation Research Award
- 2014 ISPNE Young Investigator Travel Fellowship
- 2014 University of Michigan Department of Psychology Dissertation Grant
- 2013 APAGS Basic Psychological Science Research Grant
- 2013 University of Michigan – Rackham Graduate Student Research Grant
- 2013 University of Michigan Department of Psychology - Pillsbury Graduate Research Award
- 2013 Sleep Research Society - Abstract Honorable Mention Award
- 2012 National Science Foundation Fellowship, Honorable Mention
- 2012 Sleep Research Society First Time Attendee Trainee Travel Award
- 2011 University of Michigan – Rackham Graduate Student Research Grant
- 2010 University of Michigan – Rackham Merit Fellowship
- 2010 University of Notre Dame – Learning Beyond the Classroom Travel Award
- 2009 University of Notre Dame – McGrath Scholars Award
- 2009 University of Notre Dame – UROP Interim Research and Materials Grant

RESEARCH AND PUBLICATIONS

h-index = 25

total citations = 2518 (as of 6/1/26)

Poster presented at the Society for Research in Psychopathology (SRP) Conference, Minneapolis, MN.
1. Haefel, G.J., Hames, J.L., & **Vargas, I.** (2009). Cognitive vulnerability to depression: A comparison of traditional, weakest-link, and flexibility operationalizations. Poster presented at the Association of Psychological Science (APS) Conference, San Francisco, CA.

PARTICIPATION IN FUNDED RESEARCH & GRANT SUBMISSIONS (AS PI OR CO-I):

Ongoing Research Support:

Grant Title: Circadian and Ultradian Cortisol Rhythms in Chronic Sleep Continuity Disturbance

Principal Investigator: Ivan Vargas

NIH Mentored Patient-Oriented Research Career Development Award (K23HL141581)

Role: Principal Investigator

Funding Period: 2019 – 2026

Total Cost: \$800,508

Grant Title: The Sports Travel Disadvantage: Untangling the Effects of Circadian Rhythm Disruption and Sleep Loss on Athletic and Cognitive Performance

Principal Investigators: Ivan Vargas and Gerald Haefel

Notre Dame Human Performance & Wellness Research Grant

Role: Co-Principal Investigator

Funding Period 2025 – 2027

Total Cost: \$89,480

Grant Title: Behavioral Therapy for Insomnia in New Mothers: A Novel Approach to Address Postpartum Sleep Health

Principal Investigators: Ivan Vargas and Amanda Zelechowski

Indiana CTSI CheP Trailblazer Planning Grant

Role: Principal Investigator
Funding Period: 2026
Total Cost: \$4,982.00

Completed Research Support:

Grant Title: Wake up U.S. Healthcare: Evaluating sleep health knowledge and competency among U.S. healthcare providers

Principal Investigator: Ivan Vargas

Small Research Grant from the Franco Family Institute at Notre Dame (formerly ISLA).

Role: Principal Investigator

Funding Period: 2025

Total Cost: \$3,000

Grant Title: Cognitive Behavioral Therapy for Insomnia (CBT-I) and the treatment of Depression: A Mechanistic Clinical Trial

Principal Investigator: Ivan Vargas

Arkansas Biosciences Institute Tobacco Settlement Award (UAF)

Role: Principal Investigator

Funding Period: 2023 - 2024

Total Cost: \$46,786

Grant Title: Meeting the Moment: Preparing a Health Service Psychology Workforce that is Socially Responsive and Resilient.

Principal Investigator: Ana J. Bridges

Department of HHS/HRSA, Graduate Psychology Education Program Award (D40HP33365)

Role: Co-Investigator

Funding Period: 2022-2025

Total Cost = \$1,281,178

Grant Title: Circadian and Ultradian Cortisol Rhythms in Chronic Sleep Continuity Disturbance

Principal Investigator: Ivan Vargas, Ph.D.

NIH Loan Repayment Programs (LRP)

Role: Principal Investigator

Funding Period: 2021 – 2023

Total Cost: \$25,436

Grant Title: The Effectiveness of a Single Session of Cognitive Behavioral Therapy for Insomnia (CBT-I) in a Primary Care Setting.

Principal Investigator: Ivan Vargas, Ph.D. & Ana Bridges, Ph.D.

University of Arkansas Department of Psychological Science - Howells Faculty Research Grant

Role: Co-Principal Investigator

Funding Period: 2021 – 2023

Total Cost = \$4,800

Grant Title: Programs to Increase Diversity in Faculty Engaged in Behavioral and Sleep Medicine
Principal Investigator: Girardin Jean-Louis, Ph.D.
NIH Research Education Program (R25HL10544)
Role: Mentee
Funding Period: 2020 – 2022

Grant Title: Multiple health behavior changes and novel measure of cognitive function: A COVID-19 Natural Experiment
Principal Investigator: Erin Howie Hickey, Ph.D.
University of Arkansas Provost's Collaborative Research Grant
Role: Co-Investigator
Funding Period: 2021
Total Cost = \$10,000

Grant Title: Neuropsychological And Biological Risk Factors For The Transition From Acute To Chronic Insomnia
Principal Investigator: Ivan Vargas, Ph.D.
NIH Loan Repayment Programs (LRP)
Role: Principal Investigator
Funding Period: 2018 – 2020
Total Cost: \$36,579

Grant Title: Training Program In Respiratory Neurobiology And Sleep
Principal Investigator: Allan Pack, MB.Ch.B., Ph.D.
NIH T32 HL007713 (Institutional National Research Service Award)
Role: Postdoctoral Researcher
Funding Year: 2016 - 2019

Grant Title: Prospective Assessment Of The Etiology Of Insomnia In Middle Aged And Elder Adults
Principal Investigator: Michael Perlis, Ph.D.
NIH NIA R01 Supplement R01AG041783
Goal: Evaluated the factors that may mediate and moderate the transition from good sleep to acute insomnia and from acute insomnia to chronic insomnia among older adults.
Role: Co-Investigator
Funding Year: 2016-2017

Grant Title: Investigating The Effect Of Sleep Deprivation On HPA-Axis Functioning: Implications For Affective And Cognitive Functioning.
Principal Investigator: Ivan Vargas, Ph.D.
Funded through multiple small grants at University of Michigan
Goal: Examine the physiological and psychological consequences of acute sleep deprivation.
Role: Primary Investigator
Funding Year: 2014-2016

PARTICIPATION IN FUNDED RESEARCH & GRANT SUBMISSIONS (AS SPONSOR/MENTOR):

Ongoing Research Support:

Principal Investigator: Ivan Vargas

NIH Mentored Patient-Oriented Research Career Development Award (K23HL141581)

Role: Principal Investigator

Funding Period: 2019 – 2026

Total Cost: \$800,508

Principal Investigator: Harrison Dickens, MA

University of Arkansas Tiffany Marcantonio Research Grant

Role: Co-Sponsor

Funding Period: 2026

Total Cost: \$1,500

Principal Investigator: Mara Egeler, MA

Franco Family Institute Graduate Student Research Award

Role: Sponsor

Funding Period: 2026

Total Cost: \$5,000

Completed Research Support:

Principal Investigator: Jamie Walker, MA

Philanthropic Educational Organization Scholar Award

Role: Mentor

Funding Period: 2025

Total Cost: \$25,000

Principal Investigator: Ishan Vengurlekar and Koushik Thudi

Psi Chi Undergraduate Research Grant

Role: Sponsor

Funding Period: 2023

Total Cost: \$3,000

Principal Investigator: Jamie Walker, MA

Sleep Research Society Foundation Small Research Grant

Role: Sponsor

Funding Period: 2023

Total Cost: \$5,000

Principal Investigator: Mara Egeler, MA

University of Arkansas Tiffany Marcantonio Research Grant

Role: Sponsor

Funding Period: 2022

Total Cost: \$1,500

Principal Investigator: Jamie Walker, MA

University of Arkansas Graduate & Professional Student Congress Research Grant

Role: Sponsor

Funding Period: 2021

Total Cost: \$1,500

MENTORSHIP AND SUPERVISION

Dissertation Committee Chair (In Progress)

Jamie Walker, MA (expected defense: Spring 2026).

Ph.D. Candidate, University of Arkansas.

Title: *The association between daily fluctuations in sleep and glucose metabolism.*

Mara Egeler, MA (expected defense: Spring 2027)

Ph.D. Candidate, University of Notre Dame.

Title: *Examining the Effect of CBT-I on the Improvement and Prevention of Cardiovascular Risk Factors.*

Dissertation Committee Member (In Progress)

Khrystyna Stetsiv, MA (expected defense: Spring 2027)

Ph.D. Candidate, University of Notre Dame

Title: *Suicidal Ideation as Emotion Regulation: An Ecological Momentary Assessment of Suicidal Thoughts and Other Emotion Regulation Strategies.*

Xinran Niu, MA (expected defense: Spring 2028)

Ph.D. Candidate, University of Notre Dame

Title: *Updating episodic content and emotional tone of stressful memories with imagery rescripting and napping.*

Dissertation Committee Member (Completed)

Dr. Christin Mujica (2024)

Ph.D., University of Arkansas

Title: *Stay Woke: Understanding Critical Consciousness Development in Adults and its Relationship to Psychological Constructs*

Dr. Anna Nguyen (2024)

Ph.D., University of Arkansas

Title: *'Catching Zzz's and feelings': A study examining the link between sleep and emotional intimacy among sexual assault survivors*

Dr. Rebecca Campbell (2023)

Ph.D., University of Arkansas

Title: *The Effect of Sleep Deprivation on the Ability to Reappraise Negative Situations*

Thesis Committee Chair (Completed)

Harrison Dickens (2025)

Doctoral Student, University of Arkansas

Title: *Lifetime Stressor Exposure, Race, and Habitual Stress Processes: An Evaluation of Repetitive Negative Thinking and Hair Cortisol Concentration*

Mara Egeler (2024)

Doctoral Student, University of Arkansas

Title: *Evaluating the Association Between Daily Fluctuations in Sleep and Blood Pressure.*

Veronica Floyd (2023)

Doctoral Student, University of Arkansas

Title: *Evaluating a mobile application based intervention for insomnia in college students.*

Thesis Committee Member (Completed)

Lauren Garner (2025)

Doctoral Student, University of Notre Dame

Title: *To What Extent do Cognitive Abilities, Conscientiousness, and Physical Activity Predict GPA?*

Russell Mach (2023)

Doctoral Student, University of Arkansas

Title: *Examining Task-related Differences in the Error-Related Negativity (ERN) as a Function of Cognitive Control Strategy and Trait Anxiety*

Mikayla Tolliver (2022)

Doctoral Student, University of Arkansas

Title: *Examining the Hormonal Underpinnings of Affiliation Motivation in Oral Contraceptive Users, Hormonal IUD Users, and Naturally Cycling Women*

Regina Schreiber (2022)

Doctoral Student, University of Arkansas

Title: *The Self-Invalidation Due to Emotion Scale (SIDES): Development and Psychometric Properties*

Undergraduate Honors Thesis Chair (In Progress)

Daniel Smith (expected defense: 2026)

Neuroscience and Behavior Honors Student, University of Notre Dame

Undergraduate Honors Thesis Chair (Completed)

Kimberly Jonas (2025)

Undergraduate Psychology Honors Student, University of Notre Dame

Title: *Sleep Deprivation and Suicide Method: Nighttime Deaths and Impulsive Means*

Olivia Wier (2024)

Undergraduate Psychology Honors Student, University of Arkansas

Title: *Validating an Abbreviated Version of the Cognitive Styles Questionnaire*

Koushik Thudi (2023)

Undergraduate Psychology Honors Student, University of Arkansas

Title: *The Effectiveness of a Single Night of Mindfulness Meditation in Improving Sleep Among College Students: A Laboratory Study*

TEACHING EXPERIENCE

University of Notre Dame, Department of Psychology, Notre Dame, IN

Lead Instructor, *Clinical Science: Conceptual, Research, and Ethical Foundation, PSY 60350*

Fall 2025

Responsibilities: Developed course material, such as syllabus, reading selections, and writing assignments. Led weekly discussions on topics related to clinical psychological science. The overall student objective in this course was to be able to discuss and conduct methodologically rigorous clinical research. Included in this section of the course is a detailed discussion of the legal and ethical aspects of being a clinical scientist.

Course Size: One section, 4-8 students (first-year clinical psychology graduate students)

Lead Instructor, *Sleep and Health, PSY 40361*

Spring 2025; Spring 2026

Responsibilities: Developed course material, such as syllabus, reading selections, and lecture slides. Provided weekly lectures and led discussions on topics related to sleep and health. The overall course objective was to be able to provide a scientific framework upon which students can learn about the consequences of not getting adequate sleep, especially regarding psychological and physical health.

Course Size: One section, approximately 18 undergraduate students.

Lead Instructor, *Adult Psychopathology, PSY 60310*

Fall 2024

Responsibilities: Developed course material, such as syllabus, reading selections, and writing assignments. Led weekly discussions on topics related to psychopathology. The course was designed to provide advanced knowledge about psychopathology and its assessment. It covered theoretical perspectives and current concepts related to diagnostic taxonomies and criteria, etiology and pathophysiology, and psychopathology as a cultural construct.

Course Size: One section, 4-8 clinical psychology graduate students

University of Arkansas, Department of Psychological Science, Fayetteville, AR

Lead Instructor, *Advanced Seminar (Topic: Sleep and Health), PSYC 4283*

Fall 2023; Spring 2024

Responsibilities: Developed course material, such as syllabus, reading selections, and lecture slides. Provided weekly lectures and led discussions on topics related to sleep science. The overall course objective was to be able to discuss and apply (in a preliminary way) the principles and practice of sleep science. The course also focused on enhancing students' academic writing skills and served as the senior writing requirement for the psychology major.

Course Size: One section, approximately 16 undergraduate students.

Lead Instructor, *Clinical Seminar: Sleep and Health, PSYC 609V*

Spring 2023

Responsibilities: Developed course material, such as syllabus, reading selections, and lecture slides. Provided weekly lectures and led discussions on topics related to sleep and health. The overall course objective was to be able to provide a scientific framework upon which students can learn about the consequences of not getting adequate sleep, especially with regard to psychological and physical health.

Course Size: One section, approximately 6 graduate students.

Lead Instructor, *Abnormal Psychology, PSYC 3023*

Spring 2021

Responsibilities: Developed course material, such as syllabus, reading selections, and lecture slides. Provided weekly lectures on topics related to abnormal psychology and psychopathology. The overall course objective was to be able to provide a scientific framework upon which students can learn about the causes, phenomenology, and treatment of psychological disorders.

Course Size: One section, approximately 65 undergraduate students.

Lead Instructor, *Introduction to Clinical Science: Research Design & Ethical Guidelines, PSYC 5313*

Fall 2019 – Fall 2023

Responsibilities: Developed course material, such as syllabus, reading selections, and writing assignments. Led weekly discussions on topics related to clinical psychological science. The overall student objective in this course was to be able to discuss and conduct methodologically rigorous clinical research. Included in this section of the course is a detailed discussion of the legal and ethical aspects of being a scientist-practitioner.

Course Size: One section, 4-8 students (first-year clinical psychology graduate students)

Indiana University Northwest, Department of Psychology, Gary, IN

Lead Instructor, *Science of Sleep, PSY 388*

Jan. 2016 – May 2016

Responsibilities: Developed course material, such as syllabus, examinations, and writing assignments. Delivered weekly lectures on topics related to sleep research and medicine, such as the history of sleep research/medicine, neurobiology of sleep, methods and assessment of sleep, and overview of the diagnosis, etiology, and treatment of sleep disorders. Graded student exams and writing projects, and held weekly office hours.

Course Size: One section, 25 students

Lead Instructor, *Introduction to Psychology, PSY 101*

Jan. 2016 – May 2016

Responsibilities: Developed course material, such as syllabus, examinations, and writing assignments. Delivered weekly lectures on topics related to general psychology, such as psychobiology, cognition, development, psychopathology, and psychotherapy. Graded student exams and writing projects, and held weekly office hours.

Course Size: One section, 40 students

University of Michigan, Department of Psychology, Ann Arbor, MI

Graduate Student Instructor, *Introduction to Psychology, PSY 111*

Sept. 2015 – Dec. 2015

Responsibilities: Led weekly discussion sections that focused on strengthening writing skills and understanding psychology as a science. Developed interactive activities, such as class debates and discussion exercises. Graded exams and writing assignments.

Course Size: Three sections, 25 students each

Lead Instructor: Brian Malley, Ph.D.

Grader and Proctor, *Perception, PSY 347*; Jan. 2015 – April 2015

Responsibilities: Proctored and graded exams.

Course Size: One section, 40 students

Lead Instructor: John Snodgrass, Ph.D.

Graduate Student Instructor, *Introduction to Psychopathology, PSY 270*

Jan. 2013 – April 2013

Responsibilities: Led weekly discussion sections that focused on strengthening writing skills and understanding topics related to psychopathology. Developed interactive activities, such as class debates and discussion exercises. Graded exams and writing assignments.

Course Size: Two sections, 30 students each

Lead Instructor: Nestor Lopez-Duran, Ph.D.

Graduate Student Instructor, *Introduction to Psychology, PSY 111*

Sept. 2012 – December 2012

Responsibilities: Led weekly discussion sections that focused on strengthening writing skills and understanding psychology as a science. Developed interactive activities, such as class debates and discussion exercises. Graded exams and writing assignments.

Course Size: Three sections, 25 students each

Lead Instructor: Marion Perlmutter, Ph.D.

Graduate Student Instructor, *Introduction to Psychopathology, PSY 270*

Jan. 2012 – April 2012

Responsibilities: Led weekly discussion sections that focused on strengthening writing skills and understanding topics related to psychopathology. Developed interactive activities, such as class debates and discussion exercises. Graded exams and writing assignments.

Course Size: Two sections, 30 students each

Lead Instructor: Nestor Lopez-Duran, Ph.D.; Joseph Gone, Ph.D.; Patricia Deldin, Ph.D.

Graduate Student Instructor, *Introduction to Psychology, PSY 111*

Sept. 2011 – December 2011

Responsibilities: Led weekly discussion sections that focused on strengthening writing skills and understanding psychology as a science. Developed interactive activities, such as class debates and discussion exercises. Graded exams and writing assignments.

Course Size: Three sections, 25 students each

Lead Instructor: Marion Perlmutter, Ph.D.

CLINICAL AND SUPERVISION EXPERIENCE

University of Arkansas, Fayetteville, AR

Practicum Supervisor, Department of Psychological Science; May 2022 – August 2022.

Responsibilities: Supervise psychology PhD student clinicians at in-house psychological clinic.

Orientation: Brief summer practicums focused on Behavioral Sleep Medicine and Health Psychology.

Practicum Supervisor, Department of Psychological Science; January 2022 – May 2022.

Responsibilities: Supervise psychology PhD student clinicians at in-house psychological clinic.

Orientation: Practicum focused on diversity and multiculturalism.

Practicum Supervisor, Department of Psychological Science; January 2020 – May 2020.

Responsibilities: Supervise psychology PhD student clinicians at in-house psychological clinic.

Orientation: Practicum focused on Behavioral Sleep Medicine and Cognitive Behavioral Therapy for Insomnia (CBT-I).

Supervisor: Jennifer Veilleux, Ph.D.

University of Pennsylvania, Philadelphia, PA

Postdoctoral Fellow, *Behavioral Sleep Medicine Program*; April 2017 – July 2019.

Responsibilities: Provided short-term evidence based psychotherapy for insomnia.

Orientation: Cognitive Behavioral Therapy for Insomnia (CBT-I)

Supervisors: Erin O'Brien-Veara, Ph.D., Laura Zandberg, Psy.D.; Michael Perlis, Ph.D.

University of Michigan Consortium Internship (APA-accredited), Ann Arbor, MI

Psychology Intern, *University Center for the Child and the Family*; Sept. 2014 – Aug. 2015.

Responsibilities: Provided individual and group therapy services to children and families.

Orientation: Cognitive Behavioral Therapy for Depression and Anxiety; Acceptance and Commitment Therapy; Parent Management Training; Psychological Testing

Supervisors: Cindy Ewell-Foster, Ph.D.; Erin Hunter, Ph.D.

Psychology Intern, *University of Michigan Psychological Clinic*; Sept. 2014 – Aug. 2015.

Responsibilities: Provided individual and group therapy services to adults in an outpatient setting.

Orientation: Cognitive Behavioral Therapy for Depression and Anxiety; Acceptance and Commitment Therapy; Cognitive Processing Therapy; Psychological Testing

Supervisors: Todd Favorite, Ph.D.; Jody Hoffman, Ph.D.

University of Michigan, Ann Arbor, MI

Senior Clinical Technician, *University Center for the Child and the Family*; Sept. 2015 – July 2016.

Responsibilities: Provided psychological testing with children and adolescents.
Orientation: Psychological Testing (Wechsler Intelligence Scale for Children (WISC-IV)
Supervisors: Cindy Ewell-Foster, Ph.D.

Practicum Student, *University of Michigan Behavioral Sleep Medicine Clinic*; Sept. 2013 – Aug. 2014.
Responsibilities: Provided short-term evidence based psychotherapy for insomnia.
Orientation: Cognitive Behavioral Therapy for Insomnia (CBT-I)
Supervisors: Dierdre Conroy, Ph.D.; J. Todd Arnedt, Ph.D.

Practicum Student, *University of Michigan Perinatal Clinic*; Sept. 2012 – Aug. 2013
Responsibilities: Provided short-term evidence based psychotherapy for depression.
Orientation: Interpersonal Psychotherapy (IPT)
Supervisors: Leslie Swanson, Ph.D.

Practicum Student, *Univ. of Michigan/Hurley Medical Center*, May 2012 – Aug. 2012.
Responsibilities: Conducted suicide risk assessments for CDC-funded effectiveness trial on adolescent mental health in an emergency department setting.
Orientation: Clinical Interview and Risk Assessment; Columbia Suicide Severity Rating Scale
Supervisors: Cheryl King, Ph.D.

Practicum Student, *University Center for the Child and the Family*; Sept. 2011 – Aug. 2012
Responsibilities: Provided individual and group therapy services to children and families.
Orientation: Cognitive Behavioral Therapy for Depression and Anxiety; Parent Management Training
Supervisors: Polly Gipson, Ph.D.

SEMINARS AND INVITED LECTURESHIPS (AS PRESENTER)

Behavioral Therapy for Insomnia in New Mothers: A Novel Approach to Address Postpartum Sleep Health. Invited presentation at the Early Learning Collaborative, Porter County Community Foundation, First Things First Porter County. February 2026.

The transition from acute to chronic insomnia: the role of "hyperarousal" and the hypothalamic-pituitary-adrenal (HPA) axis. Virtual Presentation at the Computational Psychiatry, Neuroimaging, and Sleep Lab, Department of Psychiatry and Behavioral Sciences, Stanford School of Medicine. February 2026.

Knowledge of Sleep Treatments and Healthcare Communication in the Perinatal Period. Virtual Nanit Lab Symposium. January 2026.

What the Health: the Science of Sleep. Michiana Community Health Coalition. December 2025.

Making insomnia treatment more scalable and the potential role of one-session CBT for insomnia. Clinical Area Brown Bag - University of Notre Dame Department of Psychology. September 2025.

The transition from acute to chronic insomnia: the role of "hyperarousal" and the hypothalamic-pituitary-adrenal (HPA) axis. Columbia University Sleep Seminar, Center of Excellence for Sleep & Circadian Research at Columbia University Medical Center. March 2025.

Keynote Address - Our Futures Weekend. Hosted by the University of Notre Dame Graduate School, Office of the Provost, and Office of Inclusive Excellence. Invited lecture, January 2025.

Sleep Talking: Starting Good Sleep Habits in College. Hosted by the University of Notre Dame Class of 2027 Wellness Committee. Invited lecture, November 2024.

Sleep & Increasing Access to More Equitable Insomnia Treatment. Sleep Research Society, Virtual Seminar Series, November 2024.

Year in Review: SBSM Keynote Presentation. Society of Behavioral Sleep Medicine, Annual Scientific Conference, September 2024.

Sleep and Circadian Rhythms in Cardiovascular Resilience: Mechanisms, Implications, and Applications. National Heart, Lung, and Blood Institute (NHLBI) Virtual Webinar, Invited Speaker, April 2024.

What the Health: The Science of Sleep. Fayetteville Public Library, June 2023. Co-led with clinical psychology graduate student, Jamie Walker.

Overview of Academic Sleep Science and Medicine. Dream Camp sponsored by The FAM, October 2022.

Applying for graduate funding. University of Arkansas Department of Psychological Science Program Area Meeting, October 2021.

Understanding the insomnia-depression link: from symptom to risk factor. Society of Behavioral Sleep Medicine Science and Research Committee Webinar, August 2021.

Promoting Healthy Sleep Habits to Improve Focus and Productivity at Work. University of Arkansas Global Campus, January 2021.

Circadian and Ultradian Cortisol Rhythms in Chronic Sleep Continuity Disturbance. Penn State Hershey Sleep Research & Treatment Center, Department of Psychiatry, Penn State College of Medicine. November 2020.

Examining the psychological and physiological consequences of acute sleep deprivation among healthy young adults. Center for Sleep and Circadian Neurobiology, Department of Psychiatry, University of Pennsylvania. November 2015.

Investigating the effect of sleep deprivation on HPA-axis functioning: implications for affective and cognitive functioning. Pat Gurin Distinguished Lecture Series, Department of Psychology, University of Michigan. February 2015.

Investigating the physiological and psychological consequences of sleep deprivation: An experimental design. Department of Psychology, University of Michigan. November 2013.

The Cortisol Awakening Response (CAR): Impact of self-reported stress and sleep patterns among healthy young adults. Trauma, Stress, and Anxiety Research Group, Department of Psychiatry, University of Michigan. April 2013.

Sleep and HPA-Axis Functioning: Implication for Adolescent Psychopathology. Sleep Disorders Center, Henry Ford Hospital. October 2012.

The Feeling Mind: Emotion. Department of Psychology, University of Michigan. October 2012.

Longitudinal Effects of Sleep Quality on Neuroendocrine Stress Reactivity in Middle Childhood. Clinical Brown Bag Seminar. Department of Psychology, University of Michigan. April 2012.

Emotion. Department of Psychology, University of Michigan. October 2011.

SPECIALIZED TRAINING: SEMINARS, WORKSHOPS, & CONFERENCES (AS ATTENDEE)

K to R01 Virtual Workshop. Two-day virtual conference hosted by the National Heart, Lung, and Blood Institute, October 2024.

Write Winning Grant Proposals Seminar. Two-day seminar hosted by the U of A Division of Research and Innovation, September 2023.

New Faculty Colloquium on Research and Scholarship. All-day conference hosted by the University of Arkansas Division of Research and Innovation, October 2021.

The Future of CBTI: Where Do We Go From Here?, webinar hosted by University of Arizona Behavioral Sleep Medicine Seminar Series, May 2021.

Programs to Increase Diversity Among Individuals Engaged in Health-Related Research (PRIDE) Summer Institute, hosted by PRIDE, virtual conference, July 2021.

Programs to Increase Diversity Among Individuals Engaged in Health-Related Research (PRIDE) Annual Meeting, hosted by PRIDE, virtual conference, April 2021

Programs to Increase Diversity Among Individuals Engaged in Health-Related Research (PRIDE) Summer Institute, hosted by PRIDE, virtual conference, July 2020.

Facing Bias: Exposing Blind Spots/Engaging in Action, virtual workshop hosted by the IDEALS Institute and the University of Arkansas Division of Diversity, Equity and Inclusion, June 2020.

SRS Leadership Workshop, held at the Annual Meeting of the Associated Professional Sleep Societies (APSS), San Antonio, TX by the Sleep Research Society, June 2019.

SRS Grant Writing Workshop, held at the Annual Meeting of the Associated Professional Sleep Societies (APSS), Baltimore, MD by the Sleep Research Society, June 2018.

Mini-Fellowship in Behavioral Sleep Medicine, Behavioral Sleep Medicine Program, Department of Psychiatry, School of Medicine, University of Pennsylvania, April 2018.

Salivary α -amylase Kinetic Enzyme Assay, Radioimmunoassay and Biomarkers Core, Institute for Diabetes, Obesity & Metabolism, University of Pennsylvania, November 2017.

Sleep, Circadian Rhythms, and Mental Health Workshop, Department of Psychiatry, School of Medicine, University of Pennsylvania, November 2017.

Advanced CBT-I Conference, Department of Psychiatry, School of Medicine, University of Pennsylvania, April 2017.

Enzyme-linked Immunosorbent Assay (ELISA) for Salivary Cortisol. Radioimmunoassay and Biomarkers Core, Institute for Diabetes, Obesity & Metabolism, University of Pennsylvania, February 2017.

Polysomnography (PSG) Training Seminar, Penn Sleep Center, Hospital of the University of Pennsylvania, January 2017.

Principles and Practice of Cognitive Behavioral Therapy for Insomnia (CBT-I) Conference, Department of Psychiatry, School of Medicine, University of Pennsylvania, October 2016.

A-STEP Sleep Training Program, Allegiance Sleep Health Center, Allegiance Health, April 2012.
